**This report may not contain all property or permit information. For active permits or recent updates, please check the [permit search tool](#) or contact [PBES](#) to learn more.*

****Note:** Multiple results were found.

In some cases, multiple results could be valid; for example, Zoning.

In other cases, a parcel may cross over the boundary of more than one data area; for example, multiple Precincts.

Any information you would like added to the Parcel Report? [Submit an idea here!](#)
